

You're Invited!

Liquid CGI Presents
an Executive Workshop Series:
"From Ordinary to Extraordinary:
The Future of CGI for Print"

Learn from industry experts about the exciting world of 3D Photorealistic CGI. Learn how this futuristic technology can **dramatically** enhance your creative process.

See demonstrations, discuss critical issues, and get your questions answered.

Spectacular Images. Brand-Defining Impact. Bottom-Line Results.

- Learn how CGI enhances creative advertising imagery without the need for expensive sets or props.
- Learn how CGI achieves intriguing special effects that traditional photography cannot always capture.
- And much more!

A light dinner & beverages served. Register now! Workshop is limited to 20.

Save the Date!

When: Wednesday, October 15, 2008 - 6 PM to 8 PM

Where: Liquid CGI University, 1001 Avenue of the Americas, 5th Floor

Cost: Free

To Register: Send an email to jimroggio@liquidcgi.com

Please include your name, title, company and number of guests.
